## Sub: Start of Commercial Production

Dear Sir,

As mentioned in our corporate disclosure made on 27th October, the company had entered into a contract to acquire the Pest products manufacturing unit at IGC II, SIDCO Samba. J & K from Reckitt Benckiser (India) Pvt. Limited (RBIPL) on a going concern basis and the company was in process of obtaining all required licenses to start manufacturing.

We wish to inform that we have obtained all required licenses and started commercial production from 2nd January, 2018.

The manufacturing unit will supply the Pest care products to Reckitt Benckiser (India) Pvt. Limited and we hope to achieve a turnover of INR 125 crores annually from this unit. HFL has entered into a 7 years committed supply agreement with RBIPL and we hope to have a minimum revenue in the range of INR 750 crores to INR 850 crores during the entire agreement period.

This is for your information and record.

Thanking you,

Yours faithfully,  
For HINDUSTAN FOODS LIMITED
